Due to his lighthearted nature disguised underneath his tough-guy persona, it's not surprising to find Mr. T would often joke about his diagnosis. The irony was not lost on him that his specific type of cancer was called "T-cell.". Thanks to his football skills, Lawrence Tureaud (now Mr. T) earned a scholarship to play ball for Prairie View A&M University in Prairie View, Texas. Not the herald of the bright and cloudless civilization of the future, Mr. Churchill is preoccupied by his own vivid world, and it is doubtful how far he has ever been aware of what actually goes on in the heads and hearts of others. He does not react, he acts; he does not mirror, he affects others and alters them to his own powerful measure. Writing of Dunkirk he says: "Had I at this juncture faltered at all in the leading of the nation, I should have been hurled out of office. I was sure that every Minister was ready to be killed quite soon, and have all his family and possessions destroyed, rather than give in. In this the represented the House of Commons and almost all the people. It fell to me in these coming days and months to express their sentiments on suitable occasions. " Rainforest Shmainforest " - Director of the Getting Gay With TEENS. " Chef Goes Nanners " - Seen shopping at the supermarket when Chef talks to him. tapes. He has also taught his students a few times subjects far too advanced for them, like Joseph Stalin and communism. There have only been a few instances, mostly in more recent episodes, when Mr. Garrison has been portrayed as more competent as of a

teacher taught a normal subject for a Fourth Grade class (many instances being after his sex change to a woman and back to a man), mostly Times Tables. Yet he goes about it by insulting the TEENS when they get an answer wrong, which is often. It is possible that Mr. Garrison teaches the students more about pop culture because he himself does not know a lot about the school curriculum, or just does not pay attention to it. In "Where My Country Gone?", he starts to speak out against the undocumented immigrants (Canadians) in the country, which results in him being fired from South Park Elementary. He then starts a movement to "fuck 'em all to death" and to build a wall separating the countries; only to find that the Canadian President has already built a wall to keep out the Americans. He sneaks into Canada, and literally fucks the Canadian president to death, which results in mass reverse-immigrations. He later bids in the Presidential Elections. In "Sponsored Content" at the Debate, he suggests fucking all the Syrian Refugees to death, believing they are all ISIS soldiers. It also seems that he has a lot more supporters than Hillary Clinton. He also returns to South Park with Principal Victoria and Caitlyn Jenner to stop the town's fate of ending. Giving drugs to minors: In "Ike's

Wee Wee ", he gives a bowl of marijuana to the fourth graders for them to smell. Although, he did it for educational reference. Attempted Murder/TEENnapping: In " Bass to Mouth ", Mr. Mackey with assistance from Principal Victoria and Mr. Adler tries to distract the public from a possible school scandal by tying up Eric Cartman and literally throwing him in front of a bus. Mr. Hankey is the only character who appears in the pilot intro, but not the pilot itself. The Magical Helicrapter is a small helicopter made almost entirely out of feces. After Kenny dies of boredom on the boat in " I Should Have Never Gone Ziplining ", Hankey rescues the remainder of the boys and takes them on a ride in the Helicrapter. Although the Helicrapter is almost all feces, the boys seem unphased by the stench. " Damien " - Talks to Damien about why no one likes him. " The Red Badge of Gayness " - Seen as part of Cartman's drunken army of male soldiers. " Chef Aid " - (Cameo) - Seen being carried by the crowd. " Proper Condom Use " - Forms a sexual relationship with Ms. Choksondik and teaches the boys of the fourth-grade sex education. He ran for President in Season Nineteen, eventually gaining the Republican nomination. He became elected as President of the United States in the Season Twenty

episode " Oh, Jeez " and appears as the 45th President of the United States from Seasons Twenty-One to Twenty-Three. However, in the Season Twenty-Four episode " South ParQ Vaccination Special ", he returned to South Park to continue his work as a 4th grade teacher. Mr. Mackey: "Why, Clyde? Why did you do it?" Clyde: "I don't know." Mr. Mackey: "You got a whole school here, Clyde! M'kay? You got over three hundred people that need to use the boys' room. Then, you decide you're gonna be a comedian, m'kay, and pinch one-off in the urinal, and leave it layin' there for everyone to have to look at! Okay, okay, you think it's funny, but nobody else does! They gotta walk in that bathroom and see your rancid dook propped up against the back of the urinal like a brown rag doll! Principal Victoria: "Mr. Mackey, Clyde's parents are here." Mr. Mackey: "M'kay, that's good! Let's see what your mom and dad have to say about your little poopscapade! Come on in, please. I'm just trying to get your son to explain why he would drop a dook in the urinal!". "M'kay, m'kay.". A song entitled " Mr. Hankey, the Christmas Poo " was released on CD and cassette, alongside the song, " Simultaneous ". In Season Twenty, Mr. Garrison's appearance changed to include an artificial tan, and a hairstyle resembling that of Donald Trump, since

he substitutes Trump for the Republican candidate for the presidential election. As President of the United States, Garrison wore a dark-blue suit with a red tie and white shirt. In "Put It Down", he is shown to no longer wear his glasses in his Twitter picture, though he wears them again in "Sons A Witches", suggesting he only takes them off for pictures. "Cherokee Hair Tampons" - Advises Herbert Garrison to write a novel after he loses his job as a teacher. During her introduction in "Fourth Grade", Mr. Mackey finds Ms. Choksondik, like the other teachers, disgusting, especially her sagging breasts. However, in "Proper Condom Use" Ms. Choksondik taught the girls about sex, and Mr. Mackey taught the boys. The two start to talk personally with each other, and this ultimately led to the two of them having intercourse. Indeed, after Ms. Choksondik's corpse was studied in "The Simpsons Already Did It", Mr. Mackey's semen was found in her stomach. The news anchor explains that the semen was not what killed her, leaving the audience to presume that Ms. Choksondik took some irony to her name and died choking on Mr. Mackey's penis. Herbert Garrison, who was also known as Janet Garrison after a sex-change operation, is a 4th grade teacher at South Park

Elementary. He first appears in the Season One episode, "Cartman Gets an Anal Probe", and is voiced by Trey Parker. After Ms. Choksondik's death, Garrison was promoted as the Fourth Grade teacher and was reunited with his old class. He had started a new relationship with a man called Mr. Slave, who in the episode "The Death Camp of Tolerance" was used by Garrison to try and get himself fired for being gay, so that he could sue the school for millions of dollars. This did not work and The Boys ended up getting sent to tolerance camp. The Boys were released from the camp due to his behavior at the Tolerance Museum and unfortunately for Mr. Garrison, he got sent to the camp himself, along with Mr. Slave, deemed intolerant of their own homosexuality. In "Mr. Garrison's Fancy New Vagina", he got a sex change operation, realizing he was not gay, but just a woman stuck in a man's body and changed her name to Janet. This led to the break up of her and Mr. Slave, who said he liked having sex with men, not women. It was at this point that Mrs. Garrison became homophobic once more and returned to her original beliefs on homosexuals. Ms. Garrison was very promiscuous with her sexuality, claiming to have let truckers 'do' her in their trucks. "The Scoots" - Mentioned on a poster about his

canceled Christmas Concert. It was implied in " Ike's Wee Wee " that his head size is caused due to his tie. Yet, in " TEEN Abduction is Not Funny ", his parents are shown to have the same condition (though this might simply be because they all tie their ties too tightly.) However, in " Proper Condom Use ", his tie is removed before he and Ms. Choksondik have intercourse, and his head remains the same size. This may simply be a continuity error or goof, or perhaps his tie would have to be removed for a limited time his head to shrink. " Fourth Grade " - He and Principal Victoria and Chef are disgusted by Ms. Choksondik. Mr. Hankey is also an item in the game. In " Mystery of the Urinal Deuce " he shown to be over compulsive against people clogging up the urinal in the boys bathroom. South Park: Bigger, Longer & Uncut, Mackey sings his own song " It's Easy, Mmm'kay " to his students to stop them from swearing. " Clubhouses "- Stan Marsh is called to his office after being caught passing a note. He has a verbal tick which causes him to almost always insert the word "m'kay" into his sentences (usually at the end or after a clause.) This is his most well-known character trait. He speaks fluent Spanish and inserts "m'bien", the equivalent Spanish word, into his sentences when

speaking the language, as shown in " Rainforest Shmainforest ". However, in newer seasons, he does not seem to say "m'kay" as much as he used to. Community content is available under CC-BY-SA unless otherwise noted. " TEEN Abduction is Not Funny " - Teaches the fourth-grade class but has trouble since all the students have their parents present as well as his parents. " Sexual Harassment Panda " - Sues Tweek for making an unwarranted comment about the shape of his ass. Mr. Hankey first appeared in the intro for the " The Unaired Pilot. His first series appearance was in " Mr. Hankey, the Christmas Poo "..
