I own a personal steamer that I absolutely love, but when I'm feeling ~extra~ lazy or just running out of time, I have a secret weapon: the Laundress Crease Release spray. Hang your piece of clothing on a hanger or, if you're like me, just place it flat on your bed. Now you can either spritz all over *or* only on the wrinkled spots. Finally, give it a few gentle tugs to help smooth out the clothing and relax the fibers. And just like that, your shirt is looking way crisper and ready to be worn out! It's so simple to use, and it smells SO good! Sometimes I'll even just spray it on myself while I'm wearing the clothing! I find it so perfect for traveling, because I swear I have the Wrinkled Clothing Curse. Seriously, friends, this spray will save you time from ironing when you have simple little creases that don't require a whole ironing board to remove."
