Seeing is believing when everyone's favorite friendly ghost stars in this charming, live-action adventure from Steven Spielberg's Amblin Entertainment. "Ghost therapist" Dr. James Harvey (Bill Pullman) and his daughter, Kat (Christina Ricci), have been hired by Carrigan Crittenden (Cathy Moriarty) and her partner-in-slime, Dibs (Eric Idle), to get rid of the spirits at drafty, old Whipstaff Manor. Sure enough, the place is haunted by The Ghostly Trio -- Stretch, Stinkie and Fatso -- who don't believe "fleshies" should come anywhere near their haunted domain. But Kat soon meets another, very different kind of spirit: Casper, a good-natured ghost who's just looking for a friend. Can they all learn to live with each other? With dazzling special effects and undeniable humor, it's a family friendly adventure that's ghostly fun for everyone! (Original Title - Casper).
