The first Fourth of July celebrations includes parades, speeches, feasts and especially toasting ceremonies. There had previously been a British tradition of using celebratory toasts on monarchs' birthdays and other events to indirectly speak about current political events, and it was soon applied to the Fourth of July. By the mid-1790s, the Federalists and Democratic-Republicans— the two major political parties of the time— each held separate Fourth of July events where the festivities had distinctly political overtones. In the 1800s, the Fourth was used by everyone from abolitionists to nativists to spread their political goals. From the seventh century, saints' feasts also began to have octaves (an eighth-day feast, not eight days of feasts), among the oldest being the feasts of Saints Peter and Paul, Saint Lawrence and Saint Agnes. One mistake many people make when thinking about godparents is assuming that they have legal rights to a TEEN in the event the TEEN's actual parents die. Unless parents have specified in their wills that the godparents will become the TEEN's guardian in such an event, godparents have no legal rights. However, if a parent does die or fails to guide the TEEN spiritually, the godparent may take on a bigger role in the TEEN's spiritual life. Checking back?
