Raid on 'cuckooed' house in Gloucestershire town foils county lines drug ring. Together Led Zeppelin played Train Kept A-Rollin, which had been covered by The Yardbirds, Page's old band. Following an intense first rehearsal where the four gelled really well, the band took off across the 1970s. But when Bonham suddenly died at 32 after choking on his vomit following a night of heavy drinking in 1980, the band split. Plant said: "I was 19 on the first Led Zeppelin rehearsals, and I was 32 when John passed away, that awful time, people used to say to me, 'Well, you must have done enough now?' Enough of f****ing what? 'Enough to retire!'" Odds of a Reunion: The Pink Floyd detente that culminated with a handful mini reunions between 2005 and 2011 is long over. In recent years, Roger Waters has gone public with the fact that he's been locked out of Floyd's social-media channels. They had a band meeting a couple of years back to try and sort everything out, but it resulted in nothing more than even more bitterness and public acrimony. Even simple matters like an Animals box set devolved into a year-long civil war between Waters and Gilmour. "I actually get along with both of them," an exasperated Mason told Rolling Stone in 2019, "and I think it's really disappointing that these rather elderly gentlemen are still at loggerheads." These "elderly gentlemen" have been at loggerheads for the past 50 years, and it's not likely to resolve itself anytime soon. We put the odds of a reunion at 5%. Why They Split: If the Everly Brothers invented

sibling rivalry in rock & roll, the Kinks perfected it. Ray and Dave Davies were at each other's throats from nearly the moment the band burst onto the rock scene with "You Really Got Me" in 1964. Somehow or another, they stuck together until 1996 when they split in the face of lagging record sales and declining attendance at their concerts. Much like the Ramones, who split up the exact same year, they'd been around so long that people began to take them for granted. But with a tax rate of 90 per cent in Britain, it seems plausible that Zeppelin's manager Peter Grant arranged for the cash to go missing- with Cole's help- to avoid a whopping post-tour tax bill. Indeed, Spitz writes that five sources close to the band told him that Grant had admitted spiriting the Drake money away. Actor and singer Michael Des Barres told Spitz, "Peter told me that Richard did it. It was a tax thing. He said, 'Why would you let all that money go to these other c----?'". Page and the band, it seemed, were resolutely opposed to repeating what they had done before, and the whole album is testament to this. Unfortunately, at the time, this meant the record received some less than complimentary reviews. Page was so put out by this that he refused to give press interviews for the next 18 months. Often misunderstood as "the acoustic album", Led Zeppelin III is a sophisticated work that represents a leap towards a cohesive "Led Zeppelin" sound. The album's third track, 'Celebration Day', is one of the finest examples of their successful mixing of genres and ideas. It contains layered guitar riffs and slide parts - all intricately arranged by Page to create a richly textured, highly optimistic-feeling, piece.
