However, the writers of I Love Lucy daringly decided to write in Ball's pregnancy. Although Ball's onscreen pregnancy wasn't the first in a TV show (Mary Kay And Johnny beat the show to it in 1948), it broke barriers due to the show's high viewership, and was a successful story. CBS just didn't allow Ball to say the word "pregnant" in the show because it was still a "vulgar" word at the time. Instead, Ball used the words "expecting" or "spectin." How Committed Was She to Comedy? Ball took her job as the comedy queen seriously, doing anything for a laugh from the audience. She rehearsed scenes until they came out perfectly. In 1967, she launched and became the head of Lucille Ball Productions. Wealthy Crypto Investors Are Driving Luxury Sales in the U.S., Analyst Says. However, the directions got lost in translation. During their fake fight scene, Tirelli shoved Ball's head into a bowl of grape mush. Ball nearly drowned under the grape mush and juice, but she came out fine in the end. The episode became a fan favorite. Only Ball Was Allowed to Make Fun of Arnaz's Accent Arnaz's character, Ricky, had trouble with English and pronunciation on I Love Lucy. The writers made an unofficial rule that only Ricky's wife, Lucy, could make fun of his accent or language problems. The writers found a creative way to make it unacceptable for others to mock Ricky's accent. The company is trying to retain customer loyalty with an online reimbursement campaign.
