To make this jolly garland, use needle-nose pliers to bend $\frac{1}{8}$ -inch armature wire into 8-inch letters to spell out "jolly" (or any other phrase) and cover the letters with green floral tape. For each letter, cut a 3-inch piece of wire and wrap it with floral tape. Then, bend one end into a small loop and secure it with floral tape to the back of the letter toward the top. Pull the small sprigs off of an artificial juniper pine garland and, working bottom to top, use floral tape to secure them at the stem to the front of each letter form to create a base. Then, use hot glue to fill in the front and sides of each letter with more greenery. Finally, hot-glue faux or dried berries to each letter, and once dry, thread a length of red ribbon through the loops to hang. Skate Ornaments TEENs Christmas Tree Gifts 2021 Custom. the skates off-ice to avoid dulling the blades and damaging the floor. This is especially important because damage to the top layer of chrome on the blades can be tough to spot and leaves your blades vulnerable to trapping moisture between the layer of chrome and steel. Moisture can encourage rusting, which can cause all kinds of problems. Wipe your blades dry after use and again a few hours later. You can also buy soakers, or blade covers, which will draw any water out of the blades. For the lemon curd, melt the butter, sugar and lemon zest in a saucepot over medium heat until the butter melts fully (the sugar will not dissolve at this point). Instead of a classic pine garland, make one from coffee filters instead. First, stack 12 ruffled coffee filters, randomly mixing white and natural-colored ones, and staple the center. (For a 10-foot garland, you'll want 20 stapled stacks.) Once finished, poke a hole near the center of each stack with a small nail. Next, cut a piece of twine that's at least a foot longer than the desired length of your garland, and knot one end. Thread on one stack and secure tightly in place by knotting the twine on the other side, then tie another knot six inches down. Slide on a second stack until it presses against that last knot. Continue tying knots and adding stacks until all are strung. Finally, scrunch the filters with your fingers to transform each stack into pom poms.
