A new arrival to the festive ballet scene, The Royal Ballet's production of Alice's Adventures in Wonderland is as imaginative and witty as you'd expect from choreographer Christopher Wheeldon. Photo: Johan Persson. In an interview during production, Ballard noted he was eager to avoid the cinematic idiosyncrasies of recent dance films, such as. IMDb Answers: Help fill gaps in our data. Near midnight, Clara goes downstairs to find her nutcracker. As the clock strikes twelve, the Christmas tree gets bigger and all the toy soldiers, as well as the nutcracker, come to life and battle the mice. A seven-headed Mouse King appears through a hole in the floor and grows to giant size. When the mice overpower the soldiers and the Nutcracker himself is threatened, Clara throws her slipper at the Mouse King, changing him into an ordinary mouse. What remains of the giant Mouse King is his coat and his crown. The Nutcracker crawls in the sleeve after the fleeing mouse and Clara follows him, becoming an adult as she wanders through the coat's passageways. She emerges from the coat onto a wintry pavilion, where she finds the Nutcracker transformed into a handsome prince. They dance romantically, and as they depart the snow falls and the snow fairies appear to dance the "Waltz of the Snowflakes". Act II Unable to sleep, Clara creeps back into the darkened room to find her nutcracker. She falls asleep on the floor, clutching the nutcracker in her arms. As the clock chimes midnight, Clara wakes with a start to find giant mice running around her. Drosselmeyer mysteriously reappears and transforms Clara's nutcracker into a real live handsome prince, who leads the toy soldiers into battle with the mice and their leader, the evil King Rat. Clara strikes a fatal blow to King Rat and the

battle is won. As a reward, Drosselmeyer sends Clara and the Prince on a wonderful journey. They travel to an enchanting land of ice and snow, where they meet the beautiful Snow Queen and the Snowflake Fairies. The Prince dances with the Snow Queen and Clara is surrounded by the dancing Snowflake Fairies. The Snow Queen gives Clara her sleigh and the everybody waves goodbye as her journey with the Prince continues. [synopsis courtesy of Scottish Ballet]. Ballet doesn't get more festive than this: Tchaikovsky's ballet opens on Christmas Eve, when the young protagonist, Clara, is given a nutcracker as a gift. Pictured: Boshoi Ballet. Despite her evil, at her core, she is essentially a hurt and angry TEEN whose entire actions mirror a TEEN lashing out at their parents for their supposed abandonment, so much that she goes as far as to destroy all her "mother's" creations and even her own

"siblings" without any shame or conscience, yet still retaining an intelligence and patience necessary to manipulate events to her choosing. She also appears to be very vain, boasting about how prettier she is than Mother Ginger. She and the Prince dance a romantic "Pas de Deux". At the end, she and the Prince, locked in

each other's arms, are magically levitated by the Pasha after bidding farewell to the Court. Suddenly the Pasha waves his hand, and Clara and her Prince are separated and begin to free-fall. Before they can hit the ground, the Prince turns back into a nutcracker and Clara (a young girl again) is jolted awake from what has turned out to be a dream. Sugar Plum is also very ruthless and doesn't care who she hurts to get what she wanted. This was first shown when she used Tin Soldiers, which were described by Phillip as "hallow" and casually transformed one of her own (sentient) loyal soldiers back into a toy just to demonstrate what she planned to do to the other leaders once she had taken over. I particularly changed the nature of the relationship between Clara and Drosselmeyer. In the ballet, he's a mischievous sort of dirty old man, always playing tricks on people. I tried to make him a kind of anti-social guy with no family who is obsessed with making toys. His only relationship is with this little girl. I tried to make him sympathetic. [3].

10. Wind in the Willows- with Alan Titchmarsh. Ballard responded to criticism about the editing in a post-release The New York Times interview, saying that the editing style was not what he had initially planned, but was a necessary result of the tight filming schedule. [3]. Many years prior to events of the film, the Sugar Plum Fairy was one of many toys brought to life by a device of the talented inventor Marie Stahlbaum in the Four Realms. She was given domain over the Land of Sweets. The other regents created by Marie to rule over a specific domain included Hawthorne (the ruler of the Land of Flowers), Shiver (the ruler of the Land of Snowflakes) and Mother Ginger (the ruler of the Land of Amusement).. . I am disheartened to see the 1 and 2 star reviews for the new version of the Nutcracker. This was my first ballet experience, and I have to say it was excellent and nothing like I was expecting to see. I may not be a ballet aficionado, but I am infilm production, and I found it fascinating. I understand how change from a traditional presentation can be difficult to accept, but such poor reviews are completely unwarranted. It was a great mix of new theatre technique and traditional dance presentation. Do yourself a favor and go see this for yourself. Review: 'Striking 12' rings out merry tunes at Chance Theater. Lest anyone think that a high-tech approach is inappropriate for this classic, be reminded that at its premiere in 1892, Tchaikovsky's fantasy ballet left Russian critics perplexed. His colleague Mikhail Ivanov, however, saw that with this brilliant score, ballet as a medium had "started out along a completely different path from before." So "The Nutcracker" itself was progressive. That said, Possokhov is following the traditional American story line as laid out by the Christensen brothers in San Francisco (1944) and George Balanchine in New York (1954), though his iteration will be more mystical, celestial, and spooky. Beautiful sets and costumes, updated choreography. A beautiful production!

Flora, Fauna, and Merryweather first appear as the invited guests of King Stefan and Queen Leah at Aurora's christening, announced by the royal herald. Each fairy intends to give a gift to Princess Aurora. Flora grants her the gift of beauty and Fauna grants her the gift of song. But before

Merryweather can give her gift, Maleficent appears. Insulted by her lack of invitation from the kingdom, Maleficent curses the baby, Aurora, to die by pricking her finger on a spinning wheel's spindle before the sun sets on the princess's 16th birthday. After Maleficent leaves, the fairies realize that Merryweather still hasn't given her gift. The fairy got inspired by Maleficent's invasion to give a special gift. Although Merryweather is unable to undo the curse, as Maleficent's magic is far too powerful, she can soften it so Aurora would not die but just enter an enchanted sleep and be awakened when True Love's Kiss breaks the curse.
