The Christmas tree, majestic and beautifully ornamented, has become an emblematic symbol of Christmas Spirit all over the world. There are many legends about the origins of the tradition regarding Christmas tree decorations. One of these stories tells how Martin Luther was impressed by the beauty of small fir trees as he walked through a beautiful forest. Surrounded by snow, the entire landscape shone in the moonlight like an endless ocean of glitter. Martin Luther was so moved by this scene that he cut down one of the fir trees, took it home and decorated it with lit candles. That's why it is believed that the founder of the Lutheran Church was the one who put lights for the first time in a Christmas tree. The tradition has been preserved over centuries, and now.
