A weed can be any plant growing where you don't want it to, but there are some particularly weedy species to keep an eye out for. These aggressive plants choke out the garden plants you've worked so hard to grow. Use this handy guide to identify these weeds by appearance and know how to remove them safely.

Living room with Christmas tree and Santa picture. Manage Your Subscription this link opens in a new tab.

For a look that's festive but calm, try an array of metallic decorations. A great option for neutral homes—your year-round decor will look like it was handpicked for your Christmas living room. Well, if you find yourself daydreaming about an escape, Hotels.com wants to make that dream a reality this year. In a campaign aimed specifically at single millennials, they're offering half off rooms at certain hotels using the code XMASECAPE when you book them on Christmas Day for a stay that very night. "This holiday season, Hotels.com doesn't want you to drop major funds on a much-deserved seasonal escape," Jennifer Dohm, head of PR and social media for The Americas, said in a press release. "We're here to give the gift of 'me time' with our #XmasEscape Rates allowing all those out there who are #SingleAF to have the selfish and bright celebration of their dreams." Based on their research, Hotels.com found that millennials are berated by their parents about inadequate "adulthood" for an average of three hours each holiday season. Their single status is one of the top critiques they get from them and other family members, apparently. Talk about stressful. Getting judged on your life, and on a holiday no less, can certainly be tiring! If you can't find a secluded room to hide in, this deal might just be the answer.
